MEMORANDUM FOR THE DEPUTY DIRECTOR FOR INTELLIGENCE, CENTRAL INTELLIGENCE  
AGENCY

SUBJECT: Briefing for Professors of Architecture and Engineering

A two-day updating conference of OCD qualified fallout shelter analysis instructors will be held on April 14 and 15, 1967. Approximately 350 professors of architecture and engineering comprise this group of OCD qualified instructors. The purpose of the conference is to present the status of current OCD programs, policies, and technical developments in the field of radiation shielding. A NORAD briefing team will make a presentation, and we would like to have a representative from your office present a general briefing on the current international situation.

In this connection, it is requested that [REDACTED] be authorized to make this presentation. The conference agenda will allow him to make a presentation of about 30 minutes duration on Friday afternoon, April 14. The conference will be held in the Main Ballroom of the Willard Hotel. STATINTL

These professors are in a favorable position to disseminate information to students as well as influential professional and other decision making groups. It is felt that a presentation by [REDACTED] to this group will be mutually advantageous. STATINTL

It is requested that this office be notified at your earliest convenience as to [REDACTED] availability. This will enable us to finalize our conference agenda and to coordinate further administrative support as may be required by [REDACTED]. STATINTL
